

Program 1: The Firefighter

Open in Prayer

Food for Thought

Thank you for caring about people and their eternal salvation. Two thousand years ago, Jesus said to His disciples that the laborers were few. They still are few in number, but by wanting to learn how you can reach the lost, you obviously want to change that. Pay careful attention to this first teaching, especially to the heartbreaking story of the firefighter. Be sure to make a judgment about what his punishment should be—and write it down as you watch the video. May God bless you as you begin this wonderful journey into *The Way of the Master*.

Discussion

1. How did you react as you heard the firefighter's story? Did you feel a sense of outrage? Why or why not? What did the firefighter do that was wrong?
2. Can you think of any justification for his lack of concern? Do you think the fire chief was justified in dishonorably discharging him from the fire department? What sentence did *you* give the firefighter?
3. What is the primary reason the Church exists on the earth? How will this differ from what it will be doing in heaven?
4. According to Bill Bright, what percentage of Christians actively share their faith with others? What do you think are the main reasons the vast majority don't share their faith?
